1 IHSA STATE THIRD PLACE FINISH (1993)

8 STATE TOURNAMENT APPEARANCES

---

April 20, 2010

Dear Kahok Soccer Players, Parents, Alumni and Supporters:

It is with deep regret that I must announce Coach Henson has resigned from his duties as junior varsity coach and varsity assistant. As many of you know, I will be starting a new job with Wells Fargo. After much discussion and reflection on the various conflicts we would have with our busy schedules, we felt the junior varsity position would best be served by a teacher in the Collinsville school district. Coach Henson had been a vital part of our program since 2002 having served eight seasons with the purple and white and also serving in the capacity of goalkeeper coach.

We are pleased to announce that Clay Smith has been hired as Tim's replacement. Coach Smith is presently employed by Collinsville Unit 10 as a teacher at Dorris Intermediate School (DIS). He formerly coached with St. Louis Scott Gallagher (formerly Metro United) and Highland High School. Coach Smith presently holds a "D" coaching license with the United States Soccer Federation.

In closing, I would like to thank Coach Henson for his years of service and wish him the very best in his future endeavors. I would also like to congratulate Coach Smith on his recent hiring. We welcome Coach Smith into the Kahok family as he will be joined by Coach Mathenia and Coach Rowden to complete our coaching staff for the fall season.

Yours in Soccer,

Coach Digirolamo
